

2016-2017 Undergraduate Academic Catalog
Department of Environmental Studies
Environmental and Sustainability Studies A.B., Human Ecology Concentration

Here are some other examples of what might be cohesive paths of study. Be sure and discuss these, or a path of your own design, with your advisor.

If you are interested in environmental policy perhaps with a second major in Political Science or Policy Studies, the following might be optimal courses to choose from:

ENS 242	Environmental Land Use Management
ENS 244	Natural Resources Management
ENS 250	Introduction to GIS
GEO/ENS 340	Water Resources Management
POL 344	International Environmental Policy
PST 320	Food Policy

If you are interested in sustainable futures, innovative planning, green design, or entrepreneurship, the following might be optimal courses to choose from:

ENS 160	The Art of Sustainable Architecture
ENS 311	Sustainable Food Production
ENS 350	Environmental Visions
ENS 360	Green Design: Envisioning a Sustainable Future
ART 339	Eco-Art
COM 331	Environmental Communications

If you are interested in the arts, working with non-profits or schools, or a double major in Art or Communications, the following might be optimal courses to choose from:

ART 114	Time Arts
ART 339	Eco-Art
COM 331	Environmental Communications
ENG 318	Writing Science
ENG 339	American Environmental Writers
PHL/REL 348	Environmental Ethics
ENS/GEO 250	Intro to GIS
